

Coaches Certification Course

Bourne Youth Baseball and Bourne Babe Ruth are proud to be a part of the Cal Ripken and Babe Ruth International families.

Beginning in 2009, it is mandatory that all coaches, managers and their assistants be required to pass the coaches certification course.

Please click on the link on this page and it will direct you to the coaching certification page of the Babe Ruth web site.

The cost is \$19.95. Once you have successfully passed the certification, the site will provide you with certificates. We will be checking certificates before coaches are given teams, so we urge you to please not wait until the last minute to do this.

The course is not that difficult, and it can be taken in as many segments as you desire as it is all on line, so you may work on a section or two a night to complete it. It's your choice.

The certification is good for life, so please make sure that you get this done as soon as possible.

This is a mandatory requirement to coach in either Bourne Youth Baseball, or Bourne Babe Ruth.
